Get 'appy!

RedLaser

An app that scans the barcode of items in the high street and tells you where you can get them cheaper online.

vouchercloud

Save on the go with this app that lets you search money-off vouchers for shops and restaurants nearby.

WEQ4U

Gives you free calls to 0800 and 0808 numbers among others, and keeps your place in the phone queue.

Bill Angel

A free app that lets you track your mobile usage and set limit alerts, so you don't go over your tariff allowance.

Rated People

This app helps you find qualified tradespeople in your area, and avoid being ripped off by cowboys.

Love Food Hate Waste

Make the most of your grub at home with this app where you can plan meals based on what you have in.

Skype

With the Internet, this is the only app you need for free voice and video calls in the UK and abroad.

WhatsApp

You can send free texts and pictures to anyone else who has the app and you can also have group chats.

www.thetrainline.com

Helps you plan your train journey, so you can avoid mega fares at peak times and the more expensive routes.

getjam

An app that earns you money. Watch videos and trailers to earn points that can be cashed in for money.
